Showcasing a wide range of printmaking techniques, from etching to woodblock, cyanotype to silkscreen, this exhibition presents the skilled craftsmanship and vision of experienced local printmakers. Located in the Bakery Building in Portland, Peregrine Press is the oldest co-operative printmaking studio in Maine, and one of few of its kind in the nation. Members will be on hand during First Friday Artwalks, 5-7pm on July 3 and Aug 7, to discuss printmaking processes and answer your questions! All prints are for sale.
